The form may be had from the Principal, Bengal Engineering College.

9. Each application must be accompanied by a receipt from the local treasury certifying to the payment of the examination fee of Rs. 50 (in the case of Class II candidates) and Rs. 75 (in the case of Class I candidates) which fee will in no case be returned.

10. The exact date of the examination and the proposed programme will be communicated to candidates by the officer who has registered their names.

2. The courses will last for ten weeks and will consist of practical work combined with class instruction. The routine and hours of attendance will be settled by the heads of the institutions, who will also decide the exact locality in which the classes will be held and date of the opening.

3. Pleaders must make their own arrangements for attending this course. No tents or other residential accommodation will be provided.

4. Credit for attendance at these classes will not be given unless the pleader has been present for 80 per cent. of the working days and for the full working hours for each day. The attendance must be distributed over the course so that no subject is neglected.

It should state the centre which the candidate wishes to join, *i.e.*, Bengal Engineering College or Ahsanullah School of Engineering, Dacca, and should be accompanied by a remittance receipt from the local treasury certifying that the fee of Rs. 100 (for each of the Class I and Class II candidates) has been paid into the treasury to the credit of the Secretary, Pleaders' Survey Examination Board.

He may have to deliver a course of lectures on anaesthesia to the first-year students twice a year. He will be appointed for a period of two years in the first instance, of which the first six months will be on probation. The term of appointment may be extended by three years at a time provided his work is reported to be satisfactory.

Persons holding substantive appointments or appointments on probation against substantive vacancies in the Medical Department, Government of Bengal, are not eligible to apply.

(2) **Qualifications.**—The following are the indispensable qualifications for a candidate:—

(i) must be a British subject and a native of, or permanently domiciled in, Bengal or the subject of the Indian State of Tripura or Cooch Behar;

(ii) must be a medical graduate with special training and experience in modern methods of anaesthesia.

Public Service Commission, Bengal.

Darjeeling, the 27th October 1942.

Public Service Commission, Bengal.

NOTICE.

With reference to the Bengal Civil Service (Judicial) Recruitment Rules, 1941, published in the *Calcutta Gazette* of the 12th June 1941, it is hereby notified that 22 appointments to the Service will be made during the year 1942-43. In view of appointments already made and in accordance with the Bengal Communal Ratio Rules, 13 of the appointments will be reserved for Muslims, 5 for Scheduled Caste candidates and 4 for other non-Muslim candidates, provided that suitable candidates from these communities are available.

2. As the quota proposed for Assam has already been filled, there will be no recruitment of any candidate from Assam to any of these 22 posts.

3. In general relaxation of rule 5 of the Standard of Qualification Rules, candidates whose age did not exceed 32 years on the 1st January 1942, are hereby permitted to apply and they need not apply to the Government for condonation of age.

4. Persons eligible under the Rules who may wish to apply should submit their applications in the prescribed form, copies of which may be obtained from the Secretary, Public Service Commission, Bengal, Secretariat Building, Darjeeling, personally or **on sending an addressed envelope with a six pice postage stamp.** The applications must reach the Secretary, complete with necessary certificates, treasury chalan, etc., not later than the 30th November 1942.

5. A number of candidates considered *prima facie* suitable will be called upon to appear before a Medical Board for a certificate of their fitness for Government service in Form A of Schedule IV of the Bengal Provincial Services Recruitment Rules; an order to appear before the Medical Board must not, however, be understood to mean that the candidate, if found fit, will necessarily receive an appointment as the number of candidates who will be summoned for medical examination will be in excess of the total number of vacancies and the question of his appointment will depend upon the results of the medical examination taken as a whole; intending candidates are advised before they apply for recruitment to the Service to satisfy themselves that they are likely to qualify as physically fit, for experience has shown that a considerable number of the candidates are rejected by the Medical Board as unfit.

S. M. ELIAS, Secretary,

PART VI

Bills introduced in the Council of State and Legislative Assembly; Reports of Select Committees presented to the Council and Assembly; and Bills published under Rule 18 of the Indian Legislative Rules

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 22nd September, 1942:—

L. A. BILL No. 34 OF 1942.

A Bill to confer certain exemptions on members of legislative bodies constituted under the Government of India Act, 1935.

WHEREAS it is expedient to exempt members of any legislative body constituted under the Government of India Act, 1935, from liability to attend Court under process, civil and criminal, at the time of meeting of such body or of a committee thereof; **26 Geo. 5, c. 2.**

It is hereby enacted as follows:—

Short title and commencement.

1. (*i*) This Act may be called the Legislative Members' Exemption Act, 1942.

(*ii*) It shall come into force on such date as the Governor General in Council may, by notification in the Gazette of India, appoint.

Insertion of a new section 135B in Act V of 1908.

2. After section 135A of the Code of Civil Procedure, 1908, the following section shall be inserted, namely:— **V of 1908.**

Exemption of members of legislative bodies from attendance in Court.

"135B. No person shall be liable to attend a Court as plaintiff, defendant or witness under civil process or otherwise—

(*a*) if he is a member of a unicameral Legislature or of either Chamber of a bicameral Legislature constituted under the Government of India Act, 1935, during the continuance of any meeting of such Legislature or Chamber; **26 Geo. 5, c. 2.**

(*b*) if he is a member of any committee of such Legislature or Chamber, during the continuance of any meeting of such committee;

(c) if he is a member of either Chamber of such a bicameral Legislature, during the continuance of a joint sitting, meeting, conference or joint committee of the Chambers of that Legislature;

and during the fourteen days before and after such meeting or sitting."

Insertion of a new section 216A in Act V of 1898.

3. After section 216 of the Code of Criminal Procedure, 1898, the following section shall be inserted, namely:— V of 1898.

Exemption of members of legislative bodies from attendance in Court.

"216A. No person shall be summoned as a witness to appear before a Court—

(i) if he is a member of a unicameral Legislature or of either Chamber of a bicameral Legislature constituted under the Government of India Act, 1935, during the continuance of any meeting of such Legislature or Chamber; 26 Geo. 5, c. 2.

(ii) if he is a member of any committee of such Legislature or Chamber, during the continuance of any meeting of such committee;

(iii) if he is a member of either Chamber of such a bicameral Legislature, during the continuance of a joint sitting, meeting, conference or joint committee of the Chambers of that Legislature;

and during the fourteen days before and after such meeting or sitting.".

STATEMENT OF OBJECTS AND REASONS.

It will be easily conceded that of all forms of public service those rendered in the Legislatures are of a very high order in point of utility and importance. In this country where politics has not yet become a profession, members of the Legislatures have in most cases to render this patriotic service at considerable sacrifice of personal interests of business and profession. This is more so in case of the members of Central Legislature who have to work for weeks on end in session farthest removed from their usual place of vocation and business. The members, if they are to be true to their constituencies and to the administration of the land, cannot but afford to devote undivided attention to the onerous business of the Legislatures. This demands that they should be conferred certain exemptions from matters which in point of importance pale in insignificance before the momentous issue they are called upon to face in discharge of their legislative duties.

The principle underlying the present Bill was recognized by Sir Alexander Mudiman, Chairman of the Reforms Inquiry Committee and some time Home Member of the Government of India, and an Act XXIII of 1925 was enacted by the Legislature at his instance. That Act conferred two privileges on the members of the Legislative bodies constituted under the Government of India Act. The first exempted them from liability to serve as jurors and assessors, and the second exempted them from arrest and detention by civil process at the time of the meetings of those bodies and also of their committees. The present Bill seeks to extend this principle somewhat further. It seeks to confer exemption on members of the legislative bodies from attendance in Court under processes, civil and criminal. It will be recognized that this privilege is necessary for the efficient discharge of their duties, particularly in these days of party politics when administrations are often run on party lines. It is possible not only for these elements given to the tactics of abstention from Legislature but others who are anti-war minded for their own reasons to manœuvre things so as to make it difficult for those who wish to attend to their legislative and war duties by dragging them to the courts situated far away from the seats of the Legislatures. The present all-important work of war effort in which members are engaged is also therefore in danger of being impeded by such devices. Such matters may at times escape the consideration of the presiding officers of courts.

This Bill, therefore, provides that no member of the Legislature engaged in legislative business shall, during the continuance of its session or sitting and during fourteen days before or after such session or sitting, be compelled to attend a court as provided in the Bill.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 14th September, 1942:—

L. A. BILL No. 31 OF 1942.

A Bill further to amend the Indian Railways Act, 1890.

WHEREAS it is expedient further to amend the Indian Railways Act, 1890, for the purpose hereinafter appearing; IX of 1890.

It is hereby enacted as follows:—

Short title.

1. This Act may be called the Indian Railways (Amendment) Act, 1942.

Insertion of new section after section 82, Act IX of 1890.

2. In Chapter VII of the Indian Railways Act, 1890, after section 82 the following section shall be inserted, namely:— IX of 1890.

Liability of Railway Administration in respect of accidents to passenger trains.

"82A. (*1*) When in the course of working a railway an accident occurs, being either a collision between trains of which one is a train carrying passengers or the derailment of or other accident to a train or any part of a train carrying passengers, then, whether or not there has been any wrongful act, neglect or default on the part of the railway administration such as would entitle a person who has been injured or has suffered loss to maintain an action and recover damages in respect thereof, the railway administration shall, notwithstanding any other provision of law to the contrary, be liable to pay compensation to the extent set out in sub-section (*2*) and to that extent only for loss occasioned by the death of a passenger dying as a direct result of such accident, and for personal injury and loss, destruction or deterioration of animals or goods owned by the passenger and accompanying the passenger in his compartment or on the train, sustained as a direct result of such accident.

(*2*) The liability of a railway administration under this section shall in no case exceed seven thousand rupees in respect of any one person; and a railway administration shall not incur any liability under this section in respect of any person being a passenger on a train if such person is travelling without having with him a proper pass or ticket."

STATEMENT OF OBJECTS AND REASONS.

Under the existing provisions of the law, no compensation is payable to those injured or to the dependents of those killed in a train accident that is not due to negligence on the part of a railway administration or its servants. Considerable hardship has been caused in consequence, particularly amongst the poorer classes, as dependents of those killed and injured in accidents due to sabotage for example, were unable to obtain any compensation for the loss they had sustained. The Bill seeks to remedy this state of affairs by rendering railways liable to pay compensation in all train accidents whether due to negligence or not, but to limit the liability in all such cases to a fixed sum in the case of any individual passenger.

Orders and Notifications by the Governor of Bengal, the High Court, Government Treasury, etc.

Office of the Secretary to His Excellency the Governor of Bengal

NOTIFICATION.

No. 534-H.—10th November 1942.—The following is republished for general information:—

OFFICE OF THE PRIVATE SECRETARY TO HIS EXCELLENCY THE VICEROY.

NOTIFICATION.

New Delhi, the 3rd November 1942.

No. 188-H.—His Imperial Majesty the King, Emperor of India, has been graciously pleased to award the King's Police and Fire Services Medal to the following officers:—

Bengal.

Michael Bullock, Sergeant, Calcutta Police—On 22nd May 1942, Sergeant Bullock and other officers of the Calcutta Police were sent to Ballygunge to deal with a soldier, who had run amok, had severely injured four men and was in a Guard Room with rifles and ammunition at his disposal. It was decided to use Tear Smoke to secure the soldier's apprehension, and Sergeant Bullock made his way along the outer wall of the Guard Room building as far as the loophole through which the soldier was shooting. His first attempt to fire a Tear Smoke shell through this loophole was not entirely successful, although a certain amount of Tear gas entered the room. Sergeant Bullock thereupon fired a "short range" shell through the loophole. This compelled the soldier to move from cover and resulted in his being shot and wounded by the military personnel, who were covering the Sergeant. As it was still uncertain whether the man was out of action, Sergeant Bullock threw another Tear Smoke shell and then entered the Guard Room with a military and police party and found the man unconscious.

Sergeant Bullock's action in twice approaching a Guard Room containing a well-armed maniac, who had already fired at and wounded four individuals and was under excellent cover, was an act of very great gallantry, and his conduct throughout the entire operation was of an exceedingly meritorious character.

* * * *

These awards are made for gallantry under regulation 6(*a*) of the regulations governing the grant of the King's Police and Fire Services Medal and consequently carry with them the special allowance admissible to officers of and below the rank of Inspector of Police.

J. G. LAITHWAITE,
Private Secy. to H. E. the Viceroy.

By order of H. E. the Governor,

A. DEC. WILLIAMS,
Secretary to the Governor.

Audit

NOTIFICATION.

No. 2426F.—10th November 1942.—In exercise of the powers conferred by sub-paragraph (2) of paragraph 13 of the Government of India (Audit and Accounts) Orders, 1936, and in continuation of the notification of the Government of Bengal in the Finance Department No. 68T.F., dated the 5th May 1937, the Governor is pleased, after consultation with the Auditor-General of India, to make the following regulations:—

I. Regulations for the conduct of the Audit of Receipts.

1. It is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to Government, which have to be brought to account, are correctly and promptly assessed, realised and credited to public account and any investigation by Audit must be so conducted as not to interfere with this executive responsibility. Audit shall, however, have power to examine the correctness of the sums brought to account in respect of receipts of any department in such manner and to such an extent as may be determined by Government in consultation with the Accountant-General.

2. In conducting the audit of receipts of any Government department the chief aim should be to ascertain that adequate regulations and procedure have been framed to secure an effective check on the assessment, collection, and proper allocation of revenue, and to see by an adequate detailed check that any such regulations and procedure are being observed. In the audit of receipts ordinarily the general is more important than the particular.

3. In the audit of receipts it would be necessary in the case of a department, which is a receiver of public money, to ascertain what checks are imposed against the commission of irregularities at the various stages of collection and accounting and to suggest any appropriate improvement in the procedure. Audit might, for instance, suggest in a particular case that a test inspection should be carried out by comparing a sample set of receipt counter-foils with the receipts actually in the hands of the tax-payers or other debtors, the results of such an inspection being made available to Audit

In no case, however, should independent inquiries be made among the tax-payers or the general public. Audit should confine itself to calling upon the Executive to furnish necessary information and, in cases of difficulty it should confer with the administrative authorities concerned as to the best means of obtaining the evidence which it requires.

4. The audit of receipts should be regulated mainly with reference to the statutory provisions or financial rules or orders which may be applicable to the particular receipts involved. If the test check reveals any defect in such rules or orders the advisability of amendment should be brought to notice.

It is, however, rarely if ever the duty of Audit to question an authoritative interpretation of such rules or orders, and in no case may Audit review a judicial decision, or a decision given by an administrative authority in a *quasi*-judicial capacity. This instruction does not, however, debar an auditor from bringing to notice any conclusion deducible from the examination of the results of a number of such decisions.

5. Where any financial rule or order applicable to the case prescribes the scale or periodicity of recoveries, it will be the duty of Audit to see, as far as possible, that there is no deviation without proper authority from such scale or periodicity. When this check

cannot be exercised centrally, a test audit may be conducted at local inspections, the aim being to secure that disregard of rule or defects of procedure are not such as to lead to leakage of revenue other than to see that a particular debt due to Government was not realised at all or on due date.

6. Ordinarily Audit will see that no amounts due to Government are left outstanding on its books without sufficient reason. Audit will continue carefully to watch such outstandings and suggest to departmental authorities any feasible means for their recovery. Whenever any dues appear to be irrecoverable, orders for their adjustment should be sought. But unless permitted by any rule or order of a competent authority no sums may be credited to Government by debit to a suspense head; credit must follow, and not precede, actual realisation.

7. The procedure prescribed by the Auditor-General for raising and pursuing audit objections in relation to expenditure, including powers of Audit Officers to waive recovery of Government dues under certain conditions, shall apply *mutatis mutandis* in respect of audit objections on any accounts of receipts.

II. Regulations for the conduct of the Audit of Accounts of Stores and Stocks.

1. The audit of stores accounts kept in any office or department of Government shall be directed to ascertaining that the departmental regulations governing purchase, receipt and issue, custody, condemnation, sale and stock-taking of stores are well devised and properly carried into effect, and to bring to the notice of the Government any important deficiencies in quantities of stores held, or any grave defects in the system of control.

2. As regards purchases of stores, Audit will see that—

(*i*) these are properly sanctioned, are made economically and in accordance with any rules or orders made by competent authority for purchase of stores required for the public service; in particular when stores are purchased from contractors the system of open competitive tender is adopted and the purchase is made from the lowest tenderer unless there are recorded reasons to the contrary;

(*ii*) the rates paid agree with those shown in the contract or agreement made for the supply of the stores;

(*iii*) certificates of quality and quantity are furnished by the passing and receiving Government servants before payment is made, except where the contrary is allowed by the rules of Government regulating purchase of stores; and

(*iv*) purchase orders have not been split up so as to avoid the necessary for obtaining the sanction of higher authority required with reference to the total amount of the orders.

Audit may call attention to cases of uneconomical purchases of stores and to any losses, which may be clearly and definitely attributed to the defective or inferior nature of stores which were accepted and certified to be satisfactory in quality.

3. Audit should ascertain that the accounts of receipts of stores whether purchased, or otherwise obtained, and of their issues and balances are correctly maintained. Where a scale has been prescribed by Government or other authority for issue of stores of any particular kind, it should be seen that the scale is *not* exceeded.

4. Stores, in many cases, represent a locking up of capital, which is not justifiable unless essential. In order to effect economy in this direction Audit will see that the balance in hand does not exceed the maximum limit prescribed by competent authority and is not in excess of requirements for a reasonable period.

5. The accounting for and maintenance of unserviceable stores which cannot be utilised by the department in whose custody they are kept involve waste of labour and space. The retention of stores in excess of the probable requirements of the department in the near future may result in loss to Government through deterioration. Audit will, therefore, see that measures are taken to survey, segregate and consider the disposal of unserviceable, surplus and obsolete stores in accordance with the procedure prescribed by Government in this behalf.

6. It is an important function of Audit to ascertain that the articles are counted periodically and otherwise examined to verify the accuracy of the quantity balances in the books. Audit shall not, except when specially authorised to do so, assume responsibility for the physical verification of stores, but it has the right to investigate balances of stores, if any discrepancies in the stores accounts suggest that such action is necessary. Audit has, however, to see that a certificate of verification of stores is recorded periodically by a responsible authority, that the system of verification adopted by the Executive is adequate and proper, that discrepancies found on stock-taking are properly investigated and adjusted and that, wherever possible, the staff responsible for the verification is independent of the staff which is responsible for the physical custody of the stock or for keeping accounts of it. It should also be seen that, wherever practicable, verifiers of stock work directly under the control of Government, and not under the heads of individual departments.

7. Where a priced account is maintained, Audit will see that—

(*i*) the stores are priced with reasonable accuracy and the rates initially fixed are reviewed from time to time, are correlated with market rates and revised where necessary;

(*ii*) the value accounts tally with the accounts of works and of departments connected with stores transactions, that the total of the valued account tallies with the outstanding amount in the general accounts; and that the numerical balance of stock materials is reconcilable with the total of value balances in the accounts at the rates applicable to the various classes of stores; and

(*iii*) steps are taken for the adjustment of profits or losses due to revaluation, stock-taking, or other causes, and that these are not indicative of any serious disregard of rules.

8. The procedure for the conduct of audit of any stores and stock accounts and the extent to which those accounts should be examined by Audit will be such as may be agreed upon between the Government and the Accountant-General.

9. The procedure prescribed by the Auditor-General for raising and pursuing audit objections in relation to expenditure shall generally apply in respect of audit objections on any accounts of stores and stock. Where necessary separate rules of procedure shall be laid down by the Accountant-General with the concurrence of the Government.

By order of the Governor,

B. N. CHAKRAVARTY,

Secy. to the Govt. of Bengal.

It is hereby enacted as follows:—

Short title and extent.

1. (*1*) This Act may be called the Workmen's Compensation (Bengal Amendment) Act, 1942.

(*2*) It extends to the whole of Bengal.

Application of Act.

2. The Workmen's Compensation Act, 1923, hereinafter referred to as the said Act, shall, in its application to Bengal, be amended for the purposes and in the manner hereinafter provided.

3. After clause (*f*) of sub-section (*1*) of section 2 of the said Act the following clause shall be inserted, namely:—

Insertion of new sections 24A and 24B.

4. After section 24 of the said Act the following sections shall be inserted, namely:—

Reference of disputed medical questions to a medical referee.

"24A. (*1*) If any question arises in any proceedings under this Act pending before the Commissioner as to—

(*a*) the nature and extent of the permanent disablement of a workman, or

(*b*) the duration of his temporary disablement, or

(*c*) whether the incapacity of a workman is due to personal injury by accident, or

(*d*) whether a workman has contracted any occupational disease specified in Schedule III,

the question shall, in default of agreement, on the joint application of both parties or on the application of either party in the prescribed manner, and on payment in the prescribed manner by the parties, or the party making the application, as the case may be, of the prescribed fees and expenses, be referred by the Commissioner to a medical referee appointed by him in his discretion from amongst the medical practitioners included in the list prepared under section 24B:

Provided that where an application is made by only one of the parties, if the Commissioner is of the opinion that the question is one which ought not on account of the exceptional difficulty of the case or for any other sufficient reason be referred to a medical referee, he may after recording his reasons in writing reject the application:

Provided further that if the parties themselves jointly select any medical practitioner included in the said list for appointment as the medical referee, the Commissioner shall, on payment of the prescribed fees and expenses in the prescribed manner, appoint that medical practitioner:

The Workmen's Compensation (Bengal Amendment) Act, 1942.

Provided further that a medical practitioner whose services have been used for the medical treatment of an injury by accident to a workman, or of an occupational disease specified in Schedule III contracted by such workman, by or on behalf of such workman or his employer or by or on behalf of any insurers interested in any proceeding under this Act arising out of such injury or disease, shall not act as a medical referee in any proceedings under this Act in respect of such injury or disease.

(*2*) The medical referee to whom such a reference is made under sub-section (*1*) shall, in accordance with the prescribed rules, require the workman to submit to a medical examination by him or under his personal direction and shall personally or with such medical assistance as he may deem necessary examine the workman medically and send to the Commissioner who has made the reference a report in respect of the question specifically mentioned in the order of reference.

(*3*) If a workman refuses to submit himself for medical examination by or under the personal direction of the medical referee to whom a reference has been made under this section, or if a workman in any way obstructs the medical examination by or under the personal direction of the medical referee the workman's right to compensation under this Act and his right to continue any proceedings under this Act shall be suspended until such examination has taken place.

Provided that such report shall not so be regarded as conclusive proof of the facts related therein if in the particular proceedings the Commissioner, either of his own motion or on application being made to him by either party, for reasons to be recorded by him in writing, deems it expedient in the interests of justice to allow the parties to adduce further evidence on such facts.

By order of the Governor,

T. I. M. NURANNABI CHAUDHURI,

Secy. to the Govt. of Bengal.

Calcutta, the 23rd November 1942.

RESOLUTION—No. 88C./Medl.

Under rule 28 of the rules framed under section 33 of the Bengal Medical Act, 1914 (Bengal Act VI of 1914), for the election of members of the Bengal Council of Medical Registration, published with notification No. 2905Medl., dated the 6th July 1935, Government have taken into consideration a petition of objection submitted by Dr. Benoy Bhusan Sinha, Honorary Associate Surgeon, Campbell Hospital, Calcutta, protesting against the rejection by the Returning Officer of his nomination paper as a "teacher" for the constituency formed under section 4(*f*) of the said Act, in connection with the last general election of the Council held in October 1941, as the Returning Officer held that Dr. Sinha was not a "teacher" within the meaning of rule 8(2) of the election rules nor was he a Visiting Surgeon and that as an Associate Surgeon he did not hold any teaching appointment.

2. It appears that the Surgeons and Physicians of the Campbell Hospital deliver clinics to the students who are attached to the various departments of the hospital. Dr. Sinha being a Surgeon is clearly a "teacher" in the ordinary sense of the term. The expression "Visiting Surgeon" used in rule 8(2) of the Rules published with notification No. 2905Medl., dated the 6th July 1935, is to be interpreted not in the light of the designation that is given in a particular institution to a particular individual but from the nature of the duties performed by him. In the present case, although Dr. Sinha has been designated as an Associate Surgeon, he is a Surgeon who visits the hospital and holds independent charge of the duties allotted to him which include delivery of clinics as stated above.

3. In the circumstances the Government of Bengal are of opinion that Dr. Sinha is a "teacher" within the meaning of rule 8(2) of the rules referred to above and that his nomination paper was illegally rejected by the Returning Officer.

4. As the acceptance of the nomination papers of Dr. B. B. Sinha was likely to have affected the result of the election to all the seats of the constituency under section 4(*f*) of the Bengal Medical Act, 1914, other than the special seat reserved for a "mufassal practitioner", the Government of Bengal are pleased to declare void the election of the said constituency except in so far as it relates to the election to the special seat reserved for a "mufassal practitioner", and to call on the electorate affected to make a fresh election within two months of the publication of this order.

By order of the Governor,

T. I. M. NURANNABI CHAUDHURI,

Secy. to the Govt. of Bengal.

11. The accounts of the Board shall be audited every month by the Finance Committee who shall report the correctness or otherwise of the accounts audited by them to the Board in an audit certificate in Form No. 18.

The Finance Committee, in auditing the monthly accounts, shall examine the registers and accounts with a view to seeing that they are posted up to date, that they are maintained in the correct form, and that all the necessary columns have been filled in. They shall also see that all signatures or initials which each form requires have been given and dated. They shall verify the correctness of the cash book by comparing it with the treasury chalans and pass book and with vouchers and counterfoils of cheques. When the amount of the loss exceeds Rs. 500, or when the loss is due to any defect in the system of accounts or collection or to any other similar causes, the sanction of the Provincial Government shall be necessary.

CHAPTER III.

BUDGET.

15. The Collector of the district shall, on or before the 15th August in each year, prepare and transmit to the Board an estimate of the receipts from the cess and tax for primary education during the financial year next ensuing.

16. As soon as the Collector has reason to believe that the receipts from cess and tax are likely to fall materially short of the original estimate supplied to the Board under rule 15, he shall transmit to the Board a revised estimate of the receipts in order that the Board may revise its budget estimates accordingly.

17. A budget showing the probable income and expenditure of the Board during the ensuing financial year shall be prepared by the Board in Form I and submitted on or before the thirtieth day of November to the Director of Public Instruction, who will submit it in turn to the Provincial Government for approval ordinarily within a month from the date of its receipt.

NOTE.—If the budget be returned to the Board for such modifications as the Provincial Government or the Director of Public Instruction may think necessary, it shall be re-submitted with the necessary modifications by the Board within one month from the date of its receipt to the Director of Public Instruction for final approval by the Provincial Government.

18. The budget shall set forth estimated receipts and expenditure under minor and detailed heads of account and the opening and closing balances.

19. The budget shall be accompanied—

(a) by a schedule in Form 2 showing full details of the estimated receipts and expenditure under each minor and detailed head;

(b) by explanatory notes showing, wherever necessary, how the figures have been arrived at and specially explaining any new and important item of receipt and expenditure.

20. In preparing the budget what is expected to be paid (under proper section) during the year shall be provided for, not the liability likely to be incurred or falling due within the year.

21. The Board may at any time within the year transfer grants from one detailed head to another detailed head subordinate to the same minor head.

22. (1) Transfers from one minor head to another shall not be made without the previous sanction of the Director of Public Instruction.

(2) Applications for transfer of funds from one minor head to another shall be accompanied by a statement in Form 3.

23. If at any time during the year the Board has reason to believe that the budget under any head is likely to be exceeded and that the excess cannot be met by a reduction under some other head, a supplementary budget shall be prepared with the least possible delay and submitted to the Director of Public Instruction for submision to the Provincial Government for approval.

CHAPTER IV.

SUBSCRIPTIONS AND DONATIONS.

24. Subscriptions and donations for special purposes shall be recorded in Form No. 4. These subscriptions and donations shall not be appropriated for any other purpose.

EXPENDITURE.

25. No expenditure shall be incurred for which provision has not been made in the budget estimate for the year or in a supplementary estimate or by reappropriation, and which has not been duly sanctioned by the competent authority.

ESTABLISHMENT.

26. The salary bill of the establishment of the Board shall be drawn in Form No. 5 and the certificate at the foot of the form shall be signed by the Secretary. When a salary is drawn for a portion of a month only, the rate at which it is drawn and the number of days for which it is claimed shall be stated either against the name of the employee in the body of the bill or in a note at the foot of the page.

27. When an employee is absent from duty, and acting arrangements are made in consequence of his absence, the absentee statement (Form No. 6) on the reverse of the bill shall be filled in and signed by the Secretary.

28. Pay not distributed shall be refunded by short drawal in the next monthly bill.

29. To the first bill in which a periodical increment is drawn by any employee, a certificate to that effect in Form No. 7 shall be appended.

30. The pay of all temporary employees who are entertained under proper sanction shall be billed for separately in the same form, the sanction being quoted.

31. The last payment of an employee's salary shall never be made until it has been ascertained that there are no outstanding demands against him. A certificate to that effect signed by the Secretary shall be attached to each such bill.

32. The net amount payable to the payees shall be drawn in one cheque. For the amount of the Provident Fund deductions and contributions a separate voucher shall be drawn up, showing merely the total deductions and contributions on account of each salary bill, the total amount being drawn in one cheque. The amount of this voucher shall be paid by cheque to the Post Office Savings Bank. These remittances to the Savings Bank should, as far as possible, be made between the 1st and 4th of each month in order that interest may accrue for the month of deposit.

ARREAR BILLS.

33. Arrear pay shall not be drawn in the ordinary monthly bill, but in a separate bill, with a quotation of the bill from which the charge was omitted or withheld or on which it was refunded by deduction, or of any order granting a new allowance. Such bills may be presented at any time but shall be supported by a certificate from the Secretary that the amount was not paid before.

When the bills are paid, the number and date of the voucher shall be noted on the original bill from which the charge was omitted or withheld or in which it was refunded, against the item concerned in order to prevent a second claim from being entertained.

34. Every employee of the Board shall give a receipt with date in the appropriate column of the form in which the salary bill of the establishment of the Board is drawn (Form No. 5) for the sum paid to him and shall in the case of sums exceeding Rs. 20, affix a receipt stamp before signing. The cost of the receipt stamp shall be borne by the person who receives the money and not by the Board. Employees unable to write shall make their marks and shall be paid in the presence of the Secretary, who shall record a certificate to that effect below the mark made by the employee.

35. The drawer of the bill is personally responsible for every salary drawn on a bill signed by him until he has paid it to the persons entitled to receive it and has had the appropriate column in the form of the salary bill signed and, if necessary, stamped by the payee. If the payee does not present himself before the end of the month, the amount drawn for him shall be refunded by short drawal in the next bill. Pay shall not in any circumstances be placed in deposit.

36. The drawer of the bill shall not readjust the salaries of the establishment by giving one employee more and another less than the sanctioned pay of his post, nor shall he distribute the pay of an absentee otherwise than as provided by any general or special orders of the Board.

CHAPTER V.

CONTINGENT EXPENDITURE.

37. Contingent expenditure includes all charges other than those for establishment, travelling allowance and expenditure on construction of and repairs to primary school buildings.

PERMANENT ADVANCE.

38. To meet petty expenses, a sum of Rs. 30 may be allowed as a permanent advance to the Secretary; the amount of the advance may be raised temporarily or permanently by the Board, if necessary, up to a maximum of Rs. 50.

39. Payments of not more than Rs. 20 shall be made in cash from the permanent advance, provided that no payment on account of the salary of any employee of the Board shall be made from the permanent advance.

40. The Secretary shall make payments from his permanent advance from time to time as may be required and for each payment he shall obtain and hold a bill receipted by the payee or in the case of petty expenses, a written detailed statement of the sums spent.

41. These bills or statements shall be numbered consecutively, enfaced or stamped "paid in cash" and entered in the register (Form No. 8); the classification of the charge shall be carefully entered in the columns provided for the purpose.

42. The permanent advance may be recouped whenever necessary, and it shall always be recouped on the last working day of the month. All recoupments of the permanent advance shall be drawn on a bill in Form No. 9.

43. The procedure of recoupment shall be as follows:—

The Secretary shall compare the sub-vouchers with the entries in the permanent advance account; he shall deface them by stamping them "cancelled" so that they cannot be used again. He shall total and initial the column "amount of sub-voucher" in the permanent advance account, and also the amounts in the classification columns, the cross total of which shall agree with the total of the column "amount of sub-voucher" and shall rule a red ink line across the page, immediately above which in the last two columns the number, date and amount of the voucher for recoupment shall be shown.

44. The bill for recoupment shall then be drawn out for payment. After the bill is enfaced with the usual payment order in the form prescribed in rule 80, a cheque shall be drawn in favour of the Secretary.

Recurring and Unusual Contingent Charges.

45. Sanction of the Board shall be obtained for the purchase of books, periodicals, newspapers, official publications, for unusual contingent charges such as the purchase of typewriters and furniture and for all recurring contingent charges which bind the Board beyond a single payment.

Stamps and Postage.

46. (*1*) In order to enable a check to be kept upon the number of stamps expended upon the business of the Board, a stamp register shall be maintained in Form No. 10.

(*2*) This register shall also serve as the despatch register.

47. The balance of stamps in hand shall be verified once a month by the Secretary who shall make a note to that effect in the remarks column under his signature.

48. For all forms purchased by the Board a stock book shall be maintained in Form 11, a separate page being used for each kind of form. The Head Clerk shall be responsible for the correct maintenance of the stock book.

Stationery Account.

49. The stationery account shall be maintained in Form No. 12. The purchases shall be made annually on indents duly sanctioned by the President and showing the stock in hand at the time, the actual consumption of the previous year and the quantity required.

The issues shall be acknowledged in the register under the initials of the officer supplied. The balances shall be struck at the end of the year and verified with the actual stock by the Secretary who shall record a certificate to this effect on the register.

50. Members (other than *ex-officio* members who are servants of the Crown) and officers and menial servants of the Board are entitled to travelling allowance for expenses incurred by them in attending meetings of the Board or in performing any duty assigned to them by the Board for the purposes of the Act at the rates prescribed in rules made under clause (*k*) of sub-section (*2*) of section 66 of the Act and for the time being in force and bills for payment of such travelling allowance shall be prepared in the forms prescribed and in the manner laid down in the said rules.

CHAPTER VI.

WORKS.

51. Works relating to the construction and repair of buildings other than pucca or semi-pucca buildings of a primary school may be entrusted to the teachers or managing committees of the primary schools concerned. In the case of pucca or semi-pucca buildings, the work shall be done by the engineering staff of the Board, if any, or through the agency of the District Board or Communications and Works Department of the Government of Bengal:

Provided that all building schemes estimated to cost over Rs. 10,000 shall require the previous sanction of the Director of Public Instruction.

52. (*1*) Estimates for the construction of primary school buildings shall be prepared by the Board in conformity with one of the standard types approved by the Executive Engineer. In special cases, when any variation is considered necessary the estimate shall be submitted to the District Engineer for approval before it is finally sanctioned by the Board.

(*2*) Estimates for the repairs to pucca or semi-pucca buildings shall be obtained from the agency through which the work is proposed to be carried out.

(*3*) Estimates for the repairs to buildings other than pucca or semi-pucca buildings shall be prepared by the agency through which the work is being done and shall be submitted to the Board through the District Inspector of Schools.

(*4*) Excesses over the sanctioned estimate to the extent of 5 per cent. in the case of repairs and 10 per cent. in the case of original works may be sanctioned by the President; excesses above these limits shall be approved by the Board.

53. No work shall be commenced unless and until a detailed estimate for the same has been duly approved and appropriation sanctioned by the Board. For emergent repairs, the President may however sanction a departure from this rule, but he shall report the matter to the Board at its next meeting.

54. In the case of works undertaken by the teachers or managing committees of primary schools, an advance up to 40 per cent. of the sanctioned estimate may be made. In the case of works done through the agency of the District Board or the Communications and Works Department of the Government of Bengal, advances shall be made from time to time as may be required for the execution of works. In all cases, the advances shall be adjusted only on receipt of the completion certificate of the works concerned.

55. The completion certificates in respect of all works done by the teachers or managing committees of primary schools shall be furnished by the District Inspector of Schools or any subordinate officer deputed by him. The quantity and value of work done in respect of each item of work shown in the estimates as well as new items of work done, if any, shall be shown in the completion certificate. No payments without such completion certificates shall be made beyond the 40 per cent. referred to in rule 54. In the case of works done by the engineering staff of the Board or through the agency of the District Board or Communications and Works Department of the Government of Bengal, a completion report shall be furnished by the District or Executive Engineer, as the case may be. Every such completion report shall be countersigned by the District Inspector of Schools and shall on such countersignature be deemed to be the completion certificate in respect of such works. In no case shall any excess over the sanctioned estimate or appropriation be paid without a fresh sanction of the Board and a fresh allotment of funds to cover the excess.

56. When a final payment is made, a record thereof shall be kept on the estimate concerned.

CHAPTER VII.

ADVANCES.

57. All moneys advanced to officers or employees of the Board or other persons (whether on account of the permanent advance or otherwise), shall, in the first instance, be charged to the head "Advances" in the abstract register of expenditure and entered in the Advance Ledger (Form No. 13). A separate account shall be opened in this ledger for each person to whom an advance has been given, and this account shall be credited with the amount of repayments made, and of adjustments made in the manner prescribed in rule 109. The account shall be balanced quarterly and signed by the Secretary.

TRANSACTIONS WITH THE POST OFFICE.

76. When money is remitted to a District Primary Education Fund by means of post office money orders or when the amounts of money orders issued on the requisition of a Board are returned unpaid, they will, in accordance with the post office rules on the subject, be sent by the post office direct to the Treasury Officer concerned for adjustment of the amount by book transfer to the credit of the District Primary Education Fund. An advice list with coupons and acknowledgments attached will be sent on the same day by the Treasury Officer to the office of the Board in token of the adjustment having been made.

MONEY ORDERS.

77. When writing out money orders in payment of a bill, the number of the voucher and the serial number of the items in the bill shall be written on the acknowledgment portion. When received back, the acknowledgment shall be carefully filed in serial order with the voucher. Wanting acknowledgments shall be called for after a month from the Postal Department.

78. (1) A register in Form No. 21 shall be opened for money orders which the Postal Department refunds to the Board owing to the payee not being found.

(2) The register will serve the double purpose of providing a means of watching that these refunds are brought to credit, and in case of the payee afterwards making application for the money, of ascertaining whether the sum is due from the District Primary Education Fund or from the Postal Department.

PAYMENT OF CLAIMS.

79. A Board shall pay promptly every claim against its fund that is clearly due. No money shall be drawn before it is actually required for payment; and no undue delay shall occur in the disposal of money drawn.

80. (1) Every bill or other claim for payment from the District Primary Education Fund shall be checked and examined by the Head Clerk of the Board's office who, after ascertaining it it is correct and in order, shall submit it through the Secretary for orders to the President. If payment of the bill so presented is to be made, an order for the payment shall be endorsed upon it. The order for payment shall be as follows:—

"Pay Rupees........................

only (Rs..................)" the amount being written in words as well as in figures, and shall be signed by the *President*.

(2) The Head Clerk shall also note on it the classification of the charges according to the heads laid down in the budget or in such greater detail as may be necessary for entry in the cash book after payment.

81. All payments exceeding Rs. 20 shall be made by cheque, unless there are special circumstances rendering payment in cash desirable; provided that all payment on account of salaries of the employees of the Board exceeding Rs. 10 shall be made by cheque.

82. (1) If the bill is to be paid out of the imprest, the Secretary shall sign the pay order on the bill and make it over to the Head Clerk for payment. The Head Clerk shall, after payment, stamp the voucher with the words "paid in cash" in conspicuous type. This shall be attached as a sub-voucher to the next contingent bill. If the bill is to be paid by cheque, it shall be made over to the Head Clerk. The cheque shall be written out by the Head Clerk and the bill stamped "Paid by cheque. No.............., dated.........................," in conspicuous type. Both the bill and the cheque shall then be placed before the Secretary, who shall sign the cheque and initial (with date) the "paid" endorsement on the bill in token of having signed the cheque for the bill.

(2) The amount of the cheque shall be entered in the cash book as soon as the cheque is signed.

83. Every payment from the District Primary Education Fund shall be supported by a voucher in a proper form duly signed and receipted by the payee himself or his authorised agent and stamped if necessary. A receipt signed by another person for the creditor will be invalid.

84. (1) Payments to illiterate persons shall be attested by a competent witness in addition to the paying officer.

(2) When the payee signs in vernacular, the amount acknowledged shall be noted by him in the same vernacular.

Filing of Vouchers.

85. (*1*) Bills which have been paid by cheque shall be divided into the following classes, namely, (1) salary and establishment bills, and (2) other bills. Each class of bills shall be pasted in a separate guard file and shall be consecutively numbered in order of payment:

Provided that sub-vouchers which have been paid in cash out of the permanent advance shall be separately filed, together with the recoupment voucher covering them.

(*2*) The following memorandum instead of this voucher shall be pasted into the guard book for bills other than salary and establishment bills.

Memorandum.

Voucher No......................., dated........................for Rs................., in recoupment of the permanent advance will be found in the separate file.

Cash Book.

86. The District Primary Education Fund cash book shall be kept in Form No. 22.

The receipt entries in this book shall be made day by day as follows:—

(*1*) In the case of money remitted to the treasury (otherwise than by money orders) for credit to the District Primary Education Fund under rule 66, from the duplicate chalans mentioned in rule 68.

(*2*) In the case of money orders, from the coupons attached to the advice list received from the Treasury Officer (*vide* rule 76).

(*3*) In the case of book adjustments specified in rule 69 from the copies of the Accountant-General's letter received under that rule.

Expenditure shall be entered from the details of vouchers day by day as cheques are signed.

Closing of the Cash Book.

87. The cash book shall be closed and balanced on the last working day of each month and shall be signed by the President or Secretary after comparison with the pass book. In the event of any cheque issued during a month remaining uncashed by the treasury at the close of the month, there will necessarily be a difference between the balance brought out in the cash book and that of the treasury pass book. This difference shall be explained by a note in the last page of cash book for the month in the following manner:—

			Rs. a. p.	Rs. a. p.
Balance as per cash book ..	..	..	..	500 10 6
Add cheques uncashed—

No. 7, dated the 25th April 1942	..	..	40 0 0	70 0 0
Total	..	..	..	570 10 6
Balance as per pass book ..	..	..	..	570 10 6

Cheques.

88. Cheques drawn on a treasury shall be in Form No. 23.

89. The President or the person authorised by the President in writing to sign the cheques under sub-section (*2*) of section 39 of the Act shall be the custodian of the cheque book and all cheques shall be issued under the signature of the President or such person.

90. Cheque books containing 100 cheques each will be provided by the officer in charge of the treasury. Each book shall bear a number which shall be repeated upon each cheque contained in it, together with the consecutive number of each cheque form and the President, or the person authorised by the President in writing to sign cheques, shall notify to the treasury the number of the cheque books which he from time to time brings into use. The book shall be in the personal custody of the President or such authorised person who, when relieved, shall take a receipt for the correct number of cheques made over to the relieving officer, a specimen of whose signature shall at the same time be forwarded to the treasury.

91. On receipt of a cheque book from the treasury, the President, or the person authorised by the President in writing to sign the cheques, as the case may be, shall count the cheques and shall record on the back of the cheque book that "this book contains..........................forms."

92. The President or such authorised person shall satisfy himself periodically that all unused cheques are in the book and that none have been surreptitiously extracted.

93. No cheque shall be signed unless required for immediate delivery to the person to whom the money is to be paid, nor until the bill which it will discharge has been presented in a complete form, examined and passed for payment. The practice of retaining signed cheques in the office shall not be permitted.

94. Every cheque shall be drawn in English in favour of the person to whom the money is actually due. Payment shall not be made to any other person except on production of a written authority from the creditor to receive it on his behalf:

Provided that this rule shall not apply to—

(a) cheques issued for a sum of money distributed as pay or wages among a number of employees of the Board;

(b) cheques for recoupment of permanent advance;

(c) cheques for payments of money by remittance transfer receipts (Article 143A, Civil Account Code, Volume I);

(d) cheques for payment of money in places where there are treasuries but under the rules remittance transfer receipts are not permissible (pay, allowance, etc.) and where there are no treasuries. In such cases, the money shall be remitted by money orders and the cheques shall be drawn in the name of the post master;

(e) cheques for payment of money to Government. If the money is accounted for a special department of Government, such as the Income Tax, the Land Acquisition Department, etc., the cheques shall be drawn in favour of the officer in charge of the department concerned. But in other cases the cheque shall be drawn in the name of the treasury officer and forwarded to him for credit to Government.

95. The amount of every cheque shall be written in words as well as in figures, both on the cheque itself and on the counterfoil and the counterfoil shall be initialled by the person signing the cheque. The word "only" shall always be inserted after the amount written in words in the body of the cheque.

CANCELLATION OF CHEQUES.

96. When a signed cheque is cancelled, it shall be enfaced or stamped "cancelled" by the person signing the cheque and shall be destroyed as soon as the accounts for the month in which the cheque was drawn have been audited by the Finance Committee.

97. The fact of cancellation shall be noted in red ink under the initials of the person signing the cheque upon the counterfoil and also across the orders enfaced upon the voucher.

98. A cheque remaining unpaid from any cause for twelve months from the date of its issue shall, however, be cancelled and the amount shall be written back.

CHEQUES LAPSED OR LOST.

99. Cheques are current for three months only. After the expiration of that period, payment shall be refused at the treasury and the person in whose favour the cheque was drawn will, therefore, have to bring it back to be redated. No fresh cheque should be issued: the lapsed cheque should simply be redated and the alteration initialled by the President or the person authorised by the President in writing to sign the cheques, as the case may be. A note of the fact of redating shall be entered in the cash book against the original transaction. The alteration will in no way affect the accounts and no further entries shall be made.

100. When a cheque is reported as lost during the period of its currency, the person signing the cheque shall forward to the Treasury Officer concerned a certificate in the following form for signature:—

Certified that cheque No....................., dated.........................., for Rs.................., reported by the disbursing officer to have been drawn by him on this treasury in favour of.....................has not been paid and will not be paid if presented hereafter.

Treasury,

The............................ *19*....

Treasury Officer.

101. On receipt from the Treasury Officer of the certificate signed by him, the President or the person authorised by the President in writing to sign cheques shall draw a new cheque in lieu of it; the fact of the loss and the number and date of the new cheque shall be recorded on the counterfoil of the old cheque, and the number and date of the old cheque that is lost shall be recorded on the counterfoil of the new one. The fact of the new cheque having been issued shall be entered on the date of issue in red ink parenthetically in the cash book but not in the column for payment. A note shall also be made against the original entry in the cash book.

CORRECTION OF THE CASH BOOK AND ABSTRACT REGISTER WHEN CHEQUES ARE CANCELLED.

102. If the cheque is cancelled in the month of issue before the cash book is closed and before the abstract register has been posted, all that is necessary is to strike out the entry in red ink under the initials of the Secretary. If, however, the abstract register has been posted and the correction is made in the same year, the cheque shall be removed from the list of outstanding cheques and the amount credited in the cash book as a miscellaneous receipt, "deduct" entries at the same time being made in the adjustment register under that head and the head of expenditure to which it was originally charged.

103. If in any case a cheque is cancelled after the accounts of the year have been compiled and published, the cheque shall be removed from the list of outstanding cheques and the amount shall only be entered in the cash book as miscellaneous receipt and an adjustment made in the accounts.

ABSTRACT REGISTER OF RECEIPTS AND EXPENDITURE.

104. All the entries on the receipt side of the cash book shall be posted item by item direct from the cash book into the abstract register of receipts [Form No. 15] and all the entries on the payment side of the cash book shall be similarly posted into the abstract register of expenditure [Form No. 15A].

105. The abstract register shall be posted as frequently as may be convenient, but in no case later than ten days after the close of the month to which the accounts relate.

106. The columns of the abstract registers shall be totalled every month and the totals of the cash transactions must necessarily be equal to, and shall be compared by the Secretary with, the totals of receipts and payments in the cash book. He shall initial the abstract registers to show that they have been compared.

ADJUSTMENTS.

107. For the record of transactions other than cash, a register of adjustments shall be opened in Form No. 14.

108. The chief adjustments to be dealt with in the said register are:—

(*1*) Rectifications of error in classification.
(*2*) The adjustment of a bill against an advance.
(*3*) The charge to a head of expenditure by credit to deposits of a sum due on a contractor's bill which sum is retained as security deposit.

(*4*) Adjustments due to refund of income or recoveries of expenditure. These transactions shall be entered item by item in the register of adjustments, the total being passed from this register into the abstract register of receipts and expenditure, but before the postings are made in the abstract register the net total of the receipt heads shall be agreed with the net total of the payment heads.

109. The methods of entry in the register of adjustments shall be as follows:—

(a) In the case referred to in clause (1) of rule 108 the adjustment shall be made by entering the amounts in the space for "add entries" in the column for the head to which the amount is to be added, and again in red ink in the space for "deduct entries" in the column for the head from which the amount is to be deducted. Both entries shall be made on the receipt side, if the amount is to be transferred from one head of receipt to another; and both shall be made on the expenditure side if the amount is to be transferred from one head of expenditure to another.

(b) In the case referred to in clause (2) of the said rule, the adjustment shall be made by entering the amount in the space for "add entries" in the column of the expenditure side for the head to which charges on account of the particular expenditure incurred are to be taken and on the receipt side in the space for "add entries" under the head "advances recovered." A corresponding entry shall be made on the receipt or credit side of the advance ledger (Form No. 13) of the person by whom the expenditure was incurred and to whom the amount adjusted was originally advanced.

(c) In the case referred to in clause (3) of the said rule, the adjustment shall be made by entering the amount on the expenditure side in the space for "add entries" in the column for the head to which the balance of the charges of the bill from which the deduction has been made has been taken, and on the receipt side in the space for "add entries" under "deposits received."

(d) In the case referred to in clause (4) of the said rule, an adjustment shall ordinarily be made by deduction from similar receipts or payments of the current year, but a refund of expenditure exceeding Rs. 500 shall be finally credited as a receipt under the corresponding revenue head.

110. When income is refunded, the refund shall be charged in the cash book to the major head of expenditure corresponding to the major head of receipt to which it was originally credited, or if there is no such head, to "9—Miscellaneous." The amount shall then be deducted in the adjustment register from both the head of receipt to which it was originally credited and the head of expenditure to which the refund is charged.

111. When the expenditure is recovered, the amount shall be credited in the cash book to the major head of receipt corresponding to the major head to which the expenditure was originally charged, or if there is no such head, to "III—Miscellaneous". The amount shall then be deducted in the adjustment register from both the head of expenditure to which it was originally charged and the head of receipt to which the recovery is credited.

NOTE.—Adjustments affecting the Advance and Deposit heads shall be made even after the close of the year.

112. Adjustments made by deduction in the abstract registers shall always be written in red ink.

MONTHLY, QUARTERLY AND ANNUAL ACCOUNTS.

113. Registers of monthly and quarterly receipts and expenditure shall be kept in Forms Nos. 24 and 25 and shall be compiled from the abstract registers. The progress of expenditure as compared with allotment shall be shown in such detail as may be necessary, the particulars being obtained from the cash book.

114. In the first month of every quarter, a copy of the monthly and quarterly accounts showing only the budget estimate and quarterly figures for the previous quarter's receipts and expenditure shall be published by lodging a copy signed by the President in the office of the District Magistrate.

115. (1) An annual account in Form No. 26, showing the consolidated receipts and expenditure for the year shall be published in the same manner as the quarterly accounts not later than the second month of the next year.

(2) A copy of the annual account shall be despatched to the Director of Public Instruction.

OFFICE ORDER BOOK.

116. An office order book shall be kept by the Board in which all appointments, promotions, leave, suspensions, fines, office arrangements and orders generally shall be noted. The Secretary shall see that this order book is kept in a correct and complete manner.

ESTABLISHMENT CHECK REGISTER.

117. The whole establishment of the Board shall be recorded in the establishment check Register in Form No. 27, in which every appointment as made shall be entered. The entries in columns 1 to 6 of the register shall be made from the sanctions for each appointment. When any revision of the establishment is made, the details of the revision shall be noted in the register, the number and date of the resolution or order being quoted in column 1 thereof. Every entry in this register shall be initialled by the Secretary.

118. Details of every establishment bill after it is checked by the Head Clerk shall be posted into the establisment check register. Pay shall be recorded under the month for which it is due, not under that in which it is disbursed.

TEMPORARY ESTABLISHMENT.

119. Temporary establishment shall be entered in the establishment check register (Form No. 27) at the end of the space allotted for the permanent establishment and shall not be mixed up with it. The period for which the temporary establishment is sanctioned shall be distinctly specified in the second column below the details of appointment sanctioned and lines shall be drawn across the columns of the months previous and subsequent to such period, so as to prevent admission by oversight of pay for a period in excess of sanction.

FIXED RECURRING CHARGES.

120. Other fixed recurring charges such as grants-in-aid, rents and municipal taxes payable by the Board, shall be recorded and checked in the same manner as establishment charges. A separate register shall be maintained for grants-in-aid while the establishment check register shall be utilised for the other charges.

REGISTER OF LANDS.

121. A proper record of all lands and sites of buildings in the possession of the Board shall be kept in a register of lands in Form No. 28.

122. If any plot of land shown in the register is sold or otherwise transferred from the possession of the Board, the entry for it shall be struck off, and the facts in connection with the transfer stated in the columns for remarks under the initials of the Secretary.

123. The President shall periodically but not less than once a year re-examine the register of lands and satisfy himself that the record is correct and complete. He shall take such steps as he may consider necessary to have the boundaries of lands verified.

REGISTER OF PROPERTIES.

124. A stock book of furniture and other movable properties belonging to the Board shall be maintained in Form No. 29.

125. All movable property of the Board at headquarters shall be verified annually by the President or Vice-President or such officer as may be authorised in writing by the President in this behalf. A separate list of all movable property in primary schools managed by the Board shall be maintained in the office of the Board and this shall be verified annually by the Sub-Inspectors of Schools.

DESTRUCTION OF RECORDS.

126. At the close of every year, the Secretary shall consider what records of the Board's office may properly be destroyed. In giving sanction to the destruction of such records, he shall be guided by the general rules issued by the Provincial Government from time to time in this behalf.

AN

ORDINANCE

to provide for enabling companies incorporated by or under the law in force in certain parts of His Majesty's dominions outside British India to continue to operate effectively by removal to British India.

WHEREAS an emergency has arisen which makes it necessary to provide for enabling companies incorporated by or under the law in force in certain parts of His Majesty's dominions outside British India to continue to operate effectively by removal to British India;

NOW, THEREFORE, in exercise of the powers conferred by section 72 of the Government of India Act, as set out in the Ninth Schedule to the Government of India Act, 1935, the Governor General is pleased to make and promulgate the following Ordinance:— 26 Geo. 5, c. 2.

Short title, extent and commencement.

1. (*1*) This Ordinance may be called the Registration of Transferred Companies Ordinance, 1942.

(*2*) It extends to the whole of British India.

(*3*) It shall come into force at once.

Registration in British India of companies incorporated elsewhere in His Majesty's dominions.

2. (*1*) If the Central Government is satisfied as respects any company incorporated by or under the law in force in any Dominion within the meaning of the Statute of Westminster, 1931, or in British Burma, or in any Colony, or in any British protectorate, or in any territory in respect of which a mandate on behalf of the League of Nations has been accepted by His Majesty and is being exercised by His Majesty's Government in the United Kingdom, that it is expedient for any of the purposes specified in sub-section (*1*) of section 2 of the Defence of India Act, 1939, to exercise the powers conferred on the Central Government by this Ordinance, the Central Government may by order direct that the company shall be registered under and in accordance with this Ordinance by a registrar of companies in British India, and, subject to the provisions of this Ordinance, where such a company is so registered, it shall, except so far as the order of the Central Government otherwise provides, be treated for all purposes as if it were a company incorporated under the Indian Companies Act, 1913, and registered under that Act in British India and not elsewhere. 22 Geo. 5, c. 4. XXXV of 1939. VII of 1913.

(*2*) Any such order may, in respect of the company to which it relates,—

(*a*) modify, adapt or exclude any of the provisions of the Indian Companies Act, 1913; VII of 1913.

(*b*) modify, adapt or exclude any provisions of the memorandum and articles of association of the company as in force immediately before the making of the order, or of any other instrument as then in force regulating the constitution or functions of the Company;

(*c*) contain such transitional provisions as appear to the Central Government to be necessary or expedient for enabling the company to carry on or recommence business outside the territory under the law of which it was incorporated immediately before the making of the order; and

(d) contain such incidental, supplemental and consequential provisions as appear to the Central Government to be necessary or expedient for the purposes of the order.

(3) The Central Government may make rules—

(a) regulating the manner in which companies are to be registered under this Ordinance and the matters which are to be registered under this Ordinance in relation to any company, and

(b) imposing upon registrars of companies under the Indian Companies Act, 1913, such duties in respect of the keeping of registers, books and other documents relating to the companies so registered as may be specified in the rules. VII of 1913.

(4) The registration of a company under this Ordinance shall not effect any liability of the company or any other person to income-tax or excess profits tax, and for the purposes of either such tax a company shall not be deemed to be resident in British India by reason only of the fact that the control and management of the affairs of the company is temporarily situated wholly in British India in consequence of the company having been registered in British India under this Ordinance.

Delegation of powers.

3. The powers conferred on the Central Government by section 2, except the power to make rules conferred by sub-section (3) of that section, may, if the Central Government so directs, be exercised in a Governor's Province by the Provincial Government and in a Chief Commissioner's Province by the Chief Commissioner.

Now, therefore, in exercise of the power conferred by section 2A, read with sub-section (*1*) of section 2 of the Epidemic Diseases Act, 1897 (Act III of 1897), the Governor of Bengal is pleased to prescribe the following temporary regulations for the prevention and control of cholera, and for the medical inspection, isolation, observation and surveillance of persons suffering from, or suspected of being infected with, cholera in the said district for a period of six months:—

Notices.

3. If in any case the District Health Officer considers that the issue of a notice under these regulations is likely to lead to such an amount of delay as might facilitate the spread of cholera he may forthwith take such steps as he may think fit for carrying out the work, and shall thereafter, as soon as possible, issue a notice on the person concerned stating the reason why such work has been carried out.

4. If any measure which the District Health Officer has, by a notice issued under these regulations, required to be carried out, be not carried out to his satisfaction within the time stated in the notice the District Health Officer shall be entitled to carry out the measure.

Costs and compensation.

5. (*1*) All expenses incurred in carrying out any work in pursuance of an order issued under these regulations shall be paid by the Board except in any case where the order directs a person to carry out any work in relation to property in his possession, in which case the expenses shall be paid by that person:

Provided that where the conditions, which led the District Health Officer to pass such an order, are not attributable to any act or default of the persons in possession of the property, the Board may pay to such person the whole or a part of the expenses incurred by him in carrying out the order.

(*2*) The Board may recover all expenses incurred by the District Health Officer in carrying out the measure under regulation 4 from the person or persons to whom the notice was originally issued.

6. The Board shall pay adequate compensation to any person who has sustained substantial loss or damage by reason of anything done under these regulations:

Provided that no person shall receive any compensation for anything done or suffered under these regulations, if he has failed to carry out an order issued under these regulations within the time specified in the order and to the satisfaction of the District Health Officer.

8. (*1*) If information has not already been given under regulation 7, the medical practitioner called in to attend upon any case of cholera shall forthwith give notice of the case by special messenger to the nearest Sanitary Inspector and by post to the District Health Officer and the cost of such messenger in each case shall be defrayed by the Board.

(*2*) The doctor-in-charge of a hospital or a dispensary within the district shall forthwith give notice of any case of cholera brought to such hospital or dispensary for treatment to the nearest Sanitary Inspector by a special messenger and to the District Health Officer by post and the cost of such messenger in each case shall be defrayed by the Board.

9. Presidents of Union Boards in union board areas and thana officers in non-union board areas shall supply to the District Health Officer such periodical returns of cases of cholera as he may from time to time call upon them to furnish.

He shall not direct the patient to be removed from the house unless it is in his opinion impossible to make proper arrangements for his isolation therein.

12. The District Health Officer or a Sanitary Inspector may order that any person, who has in his opinion been exposed to infection from cholera, shall take such drugs in such quantities as may be specified by the District Health Officer or Sanitary Inspector or shall submit himself to anti-cholera inoculation within a time to be specified in the order.

13. No person shall enter any place wherein a patient is isolated under regulation 11 without the permission of the District Health Officer or a Sanitary Inspector.

14. The Board shall provide free of charge suitable places, with necessary attendants, medicine, diet and other necessaries for persons isolated under regulation 11: Provided that a private individual may provide places certified by the District Health Officer as being fit for the purpose of such isolation.

15. No person, who is or has been suffering from cholera, shall leave the place where he has been staying until he has received from the District Health Officer or a Sanitary Inspector written permission to do so.

18. The District Health Officer or a Sanitary Inspector may forbid any person who has been a patient or who has, to his knowledge, been in contact with a patient, to act as vendor of any article for such period as may be specified in the order.

18A. No person shall carry or permit to be carried in a public conveyance a patient except in the case where a patient is carried with proper precautions to a hospital.

19. No person shall sell any article which has been in contact with a patient until it has been disinfected to the satisfaction of the District Health Officer or a Sanitary Inspector.

19A. No person shall expose in any street, shop, bazar or any public place any clothing, bedding or other article which has been in contact with a patient or shall cause or suffer such articles to be carried in any public conveyance, but nothing in this regulation shall apply to a person who transmits with proper precautions against spreading the disease any such article for the purpose of having the same disinfected.

19B. No person shall carry or permit to be carried in a public conveyance the dead body of any person who has died of cholera without the previous written permission of the District Health Officer or Sanitary Inspector, and without taking proper precautions against spreading the said disease.

20. (*1*) When the District Health Officer or a Sanitary Inspector is of opinion that the water in any well, tank, pool or other possible source of water-supply is contaminated or is likely to be contaminated, he may at

once take such steps as he deems necessary to close such well, tank, pool or other source of water-supply, or may require the owner or occupier of land upon which such well, tank, pool or source of water-supply is situated, to take steps to close the same to the satisfaction of the District Health Officer or the Sanitary Inspector, as the case may be, within such time as may be specified in the order.

(2) The District Health Officer or a Sanitary Inspector may require such owner or occupier to keep closed during such a period as shall be specified in the order any well, tank, pool or other sources of water-supply closed under paragraph (1) of this regulation.

Explanation.—In this regulation, "to close" includes the placing of chaukidars to prevent access to the well, tank, pool or other source of water-supply.

22. The District Health Officer or a Sanitary Inspector may prohibit persons from entering into or using for drinking, bathing, or any other purpose, during such period as may be specified in the order, the water in any well, tank, pool or other possible source of water-supply, which, in his opinion, is contaminated or likely to be contaminated.

23. The District Health Officer or a Sanitary Inspector may, by an order published at such places as he may think fit, set apart any well, tank, part of a river, stream or channel not being private property, or being private property with the consent of the owner, for the supply of water for drinking or culinary purposes and may prohibit therein or within a distance therefrom to be stated in the order all bathing, washing of clothes or animals, or other acts calculated to pollute the water; and may similarly set apart any well, tank, part of a river, stream or channel for the purpose of bathing or for the purpose of washing animals or clothes or for any other purpose connected with the health and cleanliness of the people using such water-supply.

24. The District Health Officer or a Sanitary Inspector may prohibit persons from easing themselves, or throwing, depositing or discharging any rubbish, sewage or offensive matter, into any well, tank, pool or other source of water-supply, which is used by the public, or within such a distance from such well, tank, pool or source of water-supply as he may fix.

Conservancy and sewage disposal.

25. The District Health Officer or a Sanitary Inspector may (1) prohibit the committal or continuance of any nuisance, or (2) require the person causing any nuisance or the person occupying the premises on which any nuisance exists to remove such nuisance.

Explanation.—In this regulation, "nuisance" means anything which in the opinion of the District Health Officer or Sanitary Inspector is likely to spread or to cause the outbreak of cholera.

26. Whenever the District Health Officer or a Sanitary Inspector is satisfied that the condition of any privy, urinal, drain, sewer or cesspool is such as to cause risk of spreading cholera to the inhabitants of the neighbourhood he may order the occupier of the land in which such privy, urinal, drain, sewer or cesspool is situated to disinfect, or to allow an officer of the Board to disinfect, the same with such disinfectants in such quantities and at such time as the said officer or inspector shall think fit.

27. The District Health Officer or a Sanitary Inspector may for the prevention of the outbreak or spread of cholera order the owner or occupier of any land to repair or make efficient to the satisfaction of that officer or inspector any drain, sewer, privy, urinal or cesspool which is situated upon such land or to remove any such drain, sewer, privy, or urinal or close any such cesspool within such time as may be fixed by the said officer or inspector.

Miscellaneous.

28. The District Health Officer or a Sanitary Inspector may during the prevalence of any outbreak of cholera order that any market, shop or other public place shall remain closed for such time as may appear to him to be necessary and may forbid the holding of any fair, *mela* or other gathering to which people from several villages commonly or periodically resort.

29. The District Health Officer or a Sanitary Inspector may require the owner or occupier of any land to clear and remove, within the period specified in the order, any vegetation upon such land the existence of which in the opinion of the said officer or inspector conduces to the committing of nuisances upon such land.

30. The District Health Officer or a Sanitary Inspector may issue general orders that by a specified date certain sanitary precautions of a simple nature, such as lime-washing of houses, clearing of latrines or the removal of filth or rubbish shall be carried out to his satisfaction.

31. The District Health Officer or a Sanitary Inspector may prohibit persons from retaining or selling clothes taken from the bodies of persons who have died of cholera and may cause any such clothes to be destroyed.

36. The District Health Officer may order that no *dome* or other servant of the Board employed for the disposal of corpses shall withdraw from his duties without the permission of the District Health Officer unless such *dome* or other servant of the Board has given notice in writing not less than one month previously of his intention so to withdraw.

37. The District Health Officer or a Sanitary Inspector may through any person authorised by such officer or inspector in that behalf seize and dispose of any corpse, which in the opinion of the said officer or inspector, is infected with or is likely to spread cholera, unless the relatives or friends of the deceased person satisfy him that they are prepared and able to dispose of the corpse in a manner which will prevent the spread of cholera.

38. (*1*) The District Health Officer or Sanitary Inspector may require any person who appears to be acquainted with facts in connection with any case of cholera or suspected cholera to attend before him at a time to be stated in the order and at any place not more than one mile from the place where such person resides or is staying when the order is issued, and such person shall appear as so required.

(*2*) When the person summoned to appear under paragraph (*1*) is a female who, by the custom of the country, does not appear in public suitable precaution shall be taken to respect the said custom.

39. (*1*) The District Health Officer or a Sanitary Inspector may examine orally any person who appears to be acquainted with the facts and circumstances of a case of cholera or suspected cholera.

(*2*) When the person to be examined under paragraph (*1*) is a female who, by the custom of the country, does not appear in public the officer shall take her statement under such conditions as shall admit of due respect to the said custom.

(*3*) Such person shall be bound to answer all questions relating to such case put to him or her by such officer, other than questions the answers to which would have a tendency to expose him or her to any criminal charge.

40.
